The screenshot shows the homepage of the MecOn website. At the top, there is a blue header bar with the MecOn logo (a car wheel and wrench icon) and a user profile icon. Below the header, a large white section features the text "Bem-vindo(a) de volta!" (Welcome back!) and "Digite abaixo o que busca:" (Type below what you're looking for). A search bar with the placeholder "Procure aqui" and a magnifying glass icon is positioned above a dropdown menu. The dropdown menu contains links: "freios" (brakes), "Histórico de manutenção" (Maintenance history), "Oficinas favoritas" (Favorite workshops), and "Perfil" (Profile). At the bottom of the page, there is a blue footer bar with social media icons (X, Instagram, YouTube), the copyright notice "2025 © MecOn. Todos os direitos reservados" (2025 © MecOn. All rights reserved), and a "Fale Conosco" (Talk to us) button.

The screenshot shows the "Histórico de Manutenção" (Maintenance history) page. The page title is "Histórico de Manutenção". It displays two service entries in a grid format. Each entry has a light gray background and includes a timestamp, service details, and a note from the provider. The first entry is for a brake replacement on 25/10/25 at Oficina do Jaiminho, with a heart icon indicating it was liked. The second entry is for an electrical service on 02/07/25 at Oficina do Zé, also with a heart icon. Each entry also has a "Ver comentário" (View comment) link. The page layout is clean with a white background and a blue header bar at the top.
